Dear Valued Customer,

Due to the increases in raw material and transportation charges over the past year, we are having to make a price adjustment that will be effective on all shipments as of August 15th, 2006. The new price sheet has already been mailed out on CD. As a valued distributor, you will continue to receive a 20% discount on the published price.

We appreciate your business and look forward to a long relationship. If there are any questions, please do not hesitate to give us a call.

Sincerely,

Dennis Singh  
President  
Automann USA Inc.
