## Automann Becomes Master Distributor for Fontaine Fifth Wheel & Accessories

Monroe Township, NJ – Automann is pleased to announce that it has become a master distributor for Fontaine Fifth Wheel. Since 1942, Fontaine Fifth Wheel has been a trusted leader in the heavy-duty trucking industry, specializing in the design and manufacture of fifth wheel assemblies and replacement parts. Headquartered in Jasper, Alabama, Fontaine Fifth Wheel operates as a subsidiary of Marmon Holdings, a Berkshire Hathaway company.

This new partnership strengthens Automann's commitment to providing customers with access to high-quality, industry-proven products while expanding the availability of Fontaine Fifth Wheel solutions across North America.

Highlights of the Fontaine Fifth Wheel product line include:

- **No-Slack® Technology** - Automatically removes slack between the kingpin and jaw, helping reduce wear and extend service life
- **No-Tilt®** - Hardware and assemblies designed specifically for frameless dump trailer applications
- **SmartConnect®** - The world's first smart fifth wheel; this groundbreaking innovation features advanced sensors and a sophisticated controller that monitors fifth wheel lock position at every coupling event
