## Automann Completes 4th Annual “Working Hard to Do Good” Food Drive

Monroe Township, NJ - Automann recently concluded its 4th Annual “Working Hard to Do Good” Food Drive, bringing teams together across five warehouse locations to support individuals and families facing food insecurity. Employees from Automann facilities in California, Texas, New Jersey, Georgia, and Illinois participated in the initiative.

Through the collective efforts of its teams, Automann donated 3,953 pounds of food to Feeding America®, the nation’s largest domestic hunger-relief organization. Feeding America® supports a nationwide network of food banks, pantries, and meal programs focused on ensuring access to food and essential resources for those in need.

Automann thanks all team members who contributed to the success of this year’s food drive and helped make a meaningful impact during the holiday season.

### About Feeding America®

Feeding America® is the largest hunger-relief organization in the United States. Through a network of more than 200 food banks, 21 statewide food bank associations, and over 60,000 partner agencies, food pantries and meal programs, they helped provide 5.2 billion meals to tens of millions of people in need last year. Feeding America® also supports programs that prevent food waste and improve food security among the people they serve. They also bring attention to the social and systemic barriers that contribute to food insecurity in our nation, and advocates for legislation that protects people from going hungry.
