Automann Adds Specialty Products Company® (SPC) to Its Brand Portfolio

Monroe Township, NJ – Automann is proud to announce the addition of Specialty Products Company® (SPC) as its newest branded partner.

Founded in 1976, Specialty Products Company® designs, engineers, and manufactures world-class alignment and suspension solutions and is recognized globally as a leader in alignment components. SPC delivers innovative solutions for nearly every vehicle make, model, and year.

SPC is an ISO 9001 and IATF 16949 certified manufacturer, meeting the highest industry quality standards. All products are designed, engineered, and tested at SPC's manufacturing facility in Longmont, Colorado, USA.

Through this partnership, Automann expands its portfolio of premium alignment and suspension products, providing customers with reliable, high-quality solutions designed to improve vehicle performance and reduce downtime.

Automann is proud to offer the following SPC product categories:

- **Tandem Truck Shims** – Freightliner, I.H.C., Kenworth, Peterbilt, and more
- **Truck Axle Shims** – Hendrickson shims, zinc alloy, aluminum alloy, magnesium alloy, steel
- **Wheel Centering Tools** – Centering sleeves, run-out gauges, torque extensions, and more

All related images, parts, and interchange information are now available on Automann.com. Customers are encouraged to contact their regional sales representative or Automann Customer Service for additional information.

About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 50,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With eight strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
