## Automann Adds Mitsubishi Electric Diamond Gard Starters and Alternators

Monroe Township, NJ – Automann is excited to announce the addition of Mitsubishi Electric to its heavy duty lineup. As an industry-leading OEM manufacturer of starters and alternators, the Mitsubishi Electric Diamond Gard brand has built a strong reputation for delivering high quality rotating electrical products.

With a legacy of innovation spanning over 100 years, Mitsubishi Electric's starters and alternators are trusted by OEM manufacturers across the world and are designed for maximum durability and reliability.

Product offering highlights:

- **Starters** – 12V and 24V options available for a wide array of truck and bus applications.
- **Alternators** – 12V pad mount alternators available in either 160 Amps or 200 Amps
