Automann Launches The A Blade Premium Wiper Blades

Monroe Township, NJ – Automann is proud to announce the launch of its newest product line, The A Blade. Designed to deliver premium performance without the premium price tag, The A Blade represents Automann’s commitment to quality and affordability for every driver.

The A Blade features advanced engineering for superior durability, streak-free visibility, and all-weather reliability. With its easy installation, The A Blade is set to become the go-to wiper blade for drivers seeking both value and performance.

Highlights of the A Blade Offering:

- **Conventional Wiper Blades:** HLK81-Series
- **Flat Glass Wiper Blades:** HLK82-Series
- **Saddle Mount Wiper Blades:** HLK83-Series
- **Beam Wiper Blades:** HLK84-Series
- **Winter Wiper Blades:** HLK85-Series
- **Showroom Displays also available**

All related images, parts, and interchange information are now available on Automann.com. Contact your regional sales representative or Automann Customer Service for additional information.

About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 50,000 parts across 18 product categories. The company’s product portfolio includes both Automann-branded products and a growing collection of leading brand names. With eight strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
