Automann Adds VSM turn signal switches, lighting, and safety systems

Monroe Township, NJ – Automann is excited to announce the addition of Vehicle Safety Manufacturing (VSM) as its newest branded partner. As an industry-leading OEM manufacturer of turn signals, lights, and safety systems. Since 1979, the Vehicle Safety Manufacturing brand has built a strong reputation for delivering high-quality turn signal switches and electrical products.

With a legacy of innovation spanning over 45 years, VSM products are engineered and built to the most exacting of standards and meet or exceed all DOT and SAE requirements.

Product offering highlights:

- **Heavy Duty Turn Signal Switches** – OEM switches available for all major makes and models in the North American market.
- **Lighting Solutions** – OEM Stop/Tail/Turn Box Lights and Pedestal lights available in both LED and incandescent options.
