## Automann Teams Tee Off at Topgolf for a Night of Fun and Competition

Monroe Township, NJ - Automann's Customer Service and Marketing teams recently got together for a fun and competitive evening at Topgolf Edison.

The event gave team members a chance to connect outside of the office in a relaxed setting. Employees of all skill levels joined in, with some picking up a club for the very first time, making it an enjoyable experience for everyone.

Along with some friendly competition for the title of "Topgolf Champion," the group enjoyed food and drinks while getting to know each other better. The night was a great reminder of the importance of teamwork, collaboration, and building strong relationships across departments.

*"Topgolf was a great opportunity for our team to connect outside of the workplace, share some laughs, and enjoy time together. Experiences like these help strengthen the relationships that make our team stronger and more connected."*
