## Automann Adds Calorstat Coolant Thermostats & Valves

Monroe Township, NJ – Automann is excited to announce the addition of Calorstat by Vernet. Since its establishment in 1927, Vernet Group has been diligently cultivating a legacy of high quality and unmatched performance in parts for major heavy-duty and automotive manufacturers including repair technicians. As a global leader in thermal solutions, Vernet stands as a principal OE supplier for automotive passenger cars, medium and heavy-duty trucks, marine vessels, as well as industrial and agricultural engines.

Calorstat, a brand of Vernet Group, holds an esteemed position as one of the foremost heavy-duty and automotive leaders. Operating from its facility in Indiana, Calorstat by Vernet offers a comprehensive suite of premium-grade Thermostats, Housings, Valves, Radiator Caps, Switches, and other vital components related to cooling systems. Our commitment revolves around ensuring unparalleled excellence in terms of performance, safety, and efficiency. Calorstat By Vernet stands proudly as an indispensable premium brand in the aftermarket industry, delivering exceptional value and reliability.
