Automann adds Clarios Group 31 AGM Batteries

Monroe Township, NJ – Automann is pleased to add Clarios, a world leader in energy storage for low-voltage mobility, as its newest branded partner.

Clarios Group 31 Absorbent Glass Mat (AGM) batteries are engineered to meet the growing power demands of today's commercial vehicles. They deliver exceptional starting power, superior cycling performance, and enhanced durability for both on-road and off-road applications. Maintenance-free and built with advanced AGM technology, these batteries provide reliable performance while supporting modern vehicle electronics, telematics, and auxiliary power systems.
