Automann Announces the Addition of Anco Wipers

Known as simply the best wiper blades. ANCO® wiper blades offer comprehensive coverage for passenger trucks and commercial vehicles. The ANCO family of products are engineered with the latest technology to ensure maximum safety, visibility, and a clear streak-free wipe in all driving conditions.

For nearly a century, the ANCO® family of premium wiper blades have been the leader in replacement wiper blades, refills, and wiper arms, providing a clearer view of the road ahead.

Look to ANCO for any season....any vehicle.

Highlights of the Anco Wiper offering:

- Available in 31 Series, all metal design in sizes 10" to 28"
- Available in 97 Series, Direct fit, low profile in sizes 12" to 28"
- Available in Profile Series, low profile, spoiler, and installed connector in sizes 13" to 29"
- Available in Contour Series, with an infinite amount of pressure points in sizes 15" to 29"

All images, related parts and interchanges are loaded on Automann.com.

Please contact your regional sales person or customer service for additional information.

About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 40,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With six strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
