Driving Success: Automann Supports The Seminar Heavy Duty Education Week

Dallas, TX – Automann is proud to continue its support of the Commercial Vehicle Solutions Network (CVSN) by participating in The Seminar Heavy Duty Education Week as a Gold Level Sponsor for 2025. The Seminar brought together over 100 parts professionals from across the United States, Canada, and Puerto Rico for a week of focused industry training and collaboration.

As part of its commitment to education and innovation in the heavy-duty aftermarket, Automann delivered in-depth classroom training sessions and welcomed attendees at its booth, which featured over 120 parts across core product categories including Air Brake & Wheel, Suspension, Steering, Body Components, and more.

Automann also introduced distributors to the latest product advancements, marketing tools, and training on new web tools designed to assist with the part identification process.

"We're proud to be part of an event that prioritizes professional development and brings together the heavy-duty parts community. The Seminar offers a valuable platform to share our expertise and connect with our partners."

— Mike Baker, Regional General Manager

About Automann

Family-owned and customer-driven since 1994, Automann has become a leader for global distribution of heavy-duty truck and trailer parts. Automann offers an ever-expanding catalog of over 50,000 parts across 18 product categories. The company's product portfolio includes both Automann-branded products and a growing collection of leading brand names. With six strategically located distribution centers across North America, Automann collaborates with an extensive distributor network to provide garages, fleets, and end-users with quality replacement parts promptly and at exceptional value.
