Automann adds President Electronics CB Radios & Accessories

Monroe Township, NJ – Automann is excited to announce the addition of President Electronics' industry-leading CB radios to its vast product lineup. As a premier manufacturer of CB Radios since 1969, the President Electronics Brand has built a strong reputation for delivering high-performing AM/FM CB radio solutions for commercial fleets, owner-operators, and hobbyists worldwide.

With a legacy of innovation spanning over 50 years, President Electronics CB Radios are trusted by some of the nation's top truck manufacturers. Designed for maximum effectiveness and reliability, these CB radios cover a wide range of benefits, including:

- **Automatic Squelch Control (ASC)** – Automatic Squelch level setting device based on the quality of the signal received, thus eliminating background noise.
- **Industry-Leading 2+3 Warranty** – 2-year warranty on CB radios. This is increased to 5 if antennas are purchased at the same time as the radio.
- **Handheld or Stationary Radios** – Providing options for every truck or industry preference.
- **High-Quality Accessories** – Handheld or Wheel-Attaching microphones, as well as a variety of high-quality antennas.
