Automann recognized as Lucas Oil Products Premier WD Distributor

Monroe Township, NJ – Automann is thrilled to announce our partnership with Lucas Oil Products!

Lucas Oil is a leader in high-performance engine oils, additives, and lubricants powering a wide range of industries, vehicles, and lifestyles. With decades of R&D and strong partnerships with top-tier racing teams, Lucas Oil delivers fuel efficiency, engine longevity, and product reliability. The Lucas portfolio includes over 300 premium products, now being made available through Automann.

Automann will be offering products in the following segments: Additives, Treatments, Gear Oils & Transmission, Greases, HD Truck Oils, Hydraulic Oils, Bag in a Box and Promotional Displays. All products packaged in cartons will be sold in case quantities. Onboarding of 55 gallon and larger containers will be added in phases.

Automann, known for its Heavy-Duty Truck Parts offering, will be focused on those products our customers need the most. One of the driving factors in partnership with Lucas Oil, was their OE approvals with major engine manufactures like, Detroit Diesel, Mack, Volvo and Cummins. Products will be distributed by Automann in the USA and Canada and should be available to customers beginning in late June, 2025
