

TRICO®

Conventional wiper technology that doesn't compromise on quality.

Built to handle whatever Mother Nature dishes out, the TRICO® (30 Series) blade is the kind of dependable product that helps make your job easier. With a universal adaptor that fits a variety of wiper arm types, TRICO universal steel frame blades fit almost every vehicle on the road, but don't take up a lot of room in your shop.

Features and benefits:

- Aerodynamic steel frame provides exceptional strength and durability
- Precision-cut rubber edge creates superior wiping action
- Engineered for better wrap on today's highly curved windshields
- Pre-attached universal adaptor for easy installation
- Fits 9mm Hook, 9x4 Hook, Side Lock and Bayonet arms
- Available in 11" to 28" lengths

TRICO®
seeing you through.
