

TRICO Force®

Engineered for today's intense driving environment.

TRICO Force® is a robustly engineered beam blade with a patented swept-wing spoiler that slices through turbulence caused by cross winds, buffeting truck winds and general traffic disturbances. Designed with an innovative aerodesign, these high-performance wiper blades control airflow and transfer it into maximum wiper/glass contact for a flawless wipe, providing excellent visibility in all driving situations.

Features and benefits:

- *VorTec*® aerofoil converts wind force for maximum windshield contact
- *HighGlide*® treated rubber element for a quieter wipe
- *SWIFT*® Easy Connection Technology
- Robust superstructure for durable all-weather performance
- Available in 14" to 29" lengths

TRICO®
seeing you through.
